To Whom It May Concern:

RE: Mark Ellcock and Melissa St George are fundraising for SSAFA

It is my pleasure to confirm that Mark and Mellissa are fundraisers for SSAFA. In fact, they are two of our best fundraisers!

Through two World Wars and every subsequent conflict involving Britain, SSAFA has been here for our servicemen and women and their families. The ability to adapt quickly to their needs is still at the heart of everything we do. We never stand still, so our new services provide vital support wherever and whenever it is most needed.

We offer comfort to bereaved families. We help elderly veterans stay mobile by assisting with funds for home adaptations and mobility scooters. We extend a helping hand to our young servicemen and women wounded in recent conflicts; and their families too. We help those struggling with Post Traumatic Stress Disorder. We assist war widows facing financial hardship, and so much more.

We are enormously grateful to Mark and Mellissa for their support and for the fundraising they are doing in aid of SSAFA. It is this hard work and dedication from our supporters that allows us to continue to provide our services to our servicemen and women.

If I can provide any other information on SSAFA please do let me know.

Many thanks,
